

## **Welcome to Colony Animal Clinic**

Thank you for choosing our clinic to care for your pet! Whether you are new to us, new to our area, or new to pet ownership, our goal is to provide outstanding veterinary care for your pet. We hope the handouts and brochures included in this packet provide useful information about preventive care and help to answer any questions you may have regarding your pet. We'd be happy to answer any additional questions during our normal business hours.

Our office hours are:

Monday-Friday: 7:00 am to 5:30 pm

Daily appointments are scheduled between 9 am-4 pm.

Colony Animal Clinic offers drop-off services in addition to appointments. The veterinarian on duty will see the drop-off appointments as soon as they can throughout the day. If you prefer to see a particular veterinarian, please let us know when you call to schedule an appointment. In an emergency, the first available veterinarian will see your pet, but we make every effort to accommodate your preferences.

Our phone number is (251) 928-7728.

Our fax number is (251) 928-1090.

Our email is [staff@colonyvets.com](mailto:staff@colonyvets.com).

Our website is [colonyanimalcare.com](http://colonyanimalcare.com).

We rotate emergency call with several of the other veterinary clinics on the Eastern Shore. If you are in need of emergency care, please call our clinic and the answering service will refer your call to the veterinarian on call at that time.
